Please complete the entire application packet. Print Clearly.

Applications are due by **August 31, 2015**

### **Overview:**

Techno Teens is an after school program for all high school students. This program is provided by the Urban League Educations and Youth Development Department, Comcast and National Urban League Project Ready. Our goals are to expose students to STEM and STEM-related careers through video game development, getting youth ready for college, providing academic support in math and science, and volunteer services.

- Urban League of Greater Pittsburgh offers the Techno Teens Program for free. There is no cost thanks to a generous donation from the Comcast Foundation.
- Techno Teens is for youth who are currently enrolled in high school only, **grades 9<sup>th</sup> – 12<sup>th</sup>**.
- Transportation may be provided if notification is received prior to deadline.
- Light snacks are provided during the program.

### **Attendance:**

Attendance is extremely important. Techno Teens are expected to attend all sessions and arrive on time.

### **Behavior:**

Techno Teens is a safe environment where all will be respected. Rules and regulations have been established to keep activities fun and beneficial for everyone. The Urban League of Greater Pittsburgh will not tolerate bullying, violence or threats of any kind. Rules and regulations will be reviewed in their entirety during orientation.
